## **2018 Guide to Camp**

**Summer is almost here! We are looking forward to another great season. This Guide will help you and your camper get ready for camp and have a better idea of what to expect while they are here.**

### **Before Camp:**

- **Pay Remaining Balance:** Please pay any remaining balance on your account at least 1 month before check-in. To view and pay your balance you can log in to the account you used to register at eaglesky.camp. If you are registered with a group, please check with your group leader for final payment information.
- **Health Information:** We require a new medical form for each year of camp. Log in to the account you used for registration to submit a current medical form before arrival. Be sure to update information if camper has any new issues or begins a new medication.
- **Make a Store Deposit:** Campers may purchase afternoon snacks, drinks, souvenirs, and t-shirts during their stay at camp. The easiest and most secure way to provide money for your camper to use is to add funds before camp through your account. Each camper's spending varies, but the suggested deposit for The Store is \$30 - \$50. If preferred, spending money can be sent with the camper and will be collected at check-in. Funds should be in an envelope with camper's name and amount indicated on the outside of the envelope. Unused money will be refunded via the way in which it was received (i.e. Credit Card, E-Check or cash), or you may choose to donate the remaining funds to our scholarship program. All balances below \$3 will be automatically donated. You may view your camper's store activity and add more money while they are at camp by logging in to your account.
- **Pack:** Label camper's clothing, luggage, and other belongings they are bringing with them. Please send comfortable clothes that are OK to get dirty. If you are coming with a group, please get a luggage tag from your leader.
- **Lice Check:** Please conduct a lice check on your camper before they arrive at camp. Parents should do a head lice check on their campers two weeks before camp and again on the day they are scheduled for camp. We will also be conducting a head check at check-in. Any camper found to have lice will not be permitted to stay. Group leaders should do a head lice check of the group on the

**day of departure to make sure no one in the group is infested. For more detailed information on how to detect and treat head lice, you can visit:**

**<http://www.webmd.com/children/ss/slideshow-lice-overview>.**

- **Please do not bring children who have recently been sick. If they have had fever greater than 99.6° without anti-fever meds, vomiting, diarrhea or any other contagious disease in the last 24 hours please keep them home.**

### **Check-in:**

- **Check-in for Summer Camp is 3-5pm. Follow signs toward check-in location. You will be further instructed by ESO staff.**
- **Head Lice Check at check-in. If nits or lice are present, campers will be turned away with no refunds issued. If a camper is sent home, the camp is not responsible for expenses incurred in picking up the camper.**
- **Have medication ready to give to Health Center Staff. Prescription medications need to be in the original bottle, with only the amount needed for the camper's stay at Eagle Sky. All inhalers, nasal sprays, and EPI pens must be in the prescription box with label and must NOT be expired. All prescription bottles should come in a Ziploc bag with child's name and session # on it. Please do not bring over-the-counter medication. Designated medical professionals are available at the Health Center to dispense OTC medication as needed. If an exception needs to be made for a camper taking Claritin, Zyrtec, Miralax, etc., call the Registration Office or speak to the nurse at check in. No vitamins or herbs will be accepted without a doctor's note.**
- **After check-in your camper will be transported to their bunks where their counselors will be happy to help them get settled in.**

### **During:**

- **Parents have the option of signing up to send free unlimited emails to their campers through the registration site during the registration process. We do not suggest mailing letters through the USPS system as the camper is generally gone before the mail is received. Parents may send mail with an adult leader, which can be turned in to the camp office and will be delivered each day. Emails, phone messages, and mail will be delivered daily (at approximately 5:00 p.m.).**

- **Visitors are welcome to attend the evening service. We do ask that you contact the office no later than 3:00 pm the day you are planning to attend so we can add your name to the visitor list at Security. Service times may vary. We will let you know what time to be here when you call the office. Visitors are to leave immediately following the service.**

#### **Departure from Camp:**

- **Pick-up is 10:00 am at the auditorium.**
- **Please check the Lost and Found table as you head out.**
- **Please pick up medication from your child's counselor or group leader.**

#### **After Camp:**

- **Listen to all your camper's stories from their great time at camp.**
- **Lost and Found: If you have lost items, please call the Camp Office at 573.287.3288 with a complete description of the missing items. We will do our best to locate and return items to you. Any items found in the cabins will be laundered and held in the Camp Office for two weeks. Lost and found items will be returned to you at your expense.**
- **Watch the website for news and information on next year!**
