

Volunteer Work Days

At Eagle Sky, we want more than anything for kids and teens to hear the message of just how much God loves them. Through our Volunteer Work Days, you can help us with that. By signing up for an Eagle Sky Volunteer Work Day, you can help us prepare to receive this summer's campers. While helping with these special projects you also have the opportunity to earn scholarships for your camper or towards your group's camp fees. For 2019 the dates for Volunteer Work Days are: 3/30, 4/13, 4/27 & 5/11. If you would like to serve during one or more of these days and help us impact campers with the love of Jesus, sign up for the Eagle Sky Volunteer Work Day Program.

SIGNING UP

Simply fill out an application attached to this page, or easily found on our website: www.eaglesky.camp. Check the "Get Involved" page for the Eagle Sky Volunteer Work Day Program. On the application you will be able to select the date or dates you would like to serve and sign a release form. From there you can: 1) Email the completed application and release form to office@eaglesky.camp, 2) Fax it to 573 287 3223, or 3) Mail to Eagle Sky of the Ozarks, 1 Eagle Sky Drive, Piedmont, MO 63957.

HOW IT WORKS

Volunteer Work days are not only a huge help in preparing the camp for campers; they can also help campers get to Eagle Sky. By serving at a Volunteer Work Day, workers will receive a \$50 scholarship toward a camper's registration fee or you can work for a group and apply the scholarship as needed. Maximum scholarship per camper is \$150 for our 5-night, programmed camp. Bringing a group to volunteer is a great way to help your church's group get to camp! (Volunteers must be 15 years of age or older.)
